This user license agreement which usage is for **Exclusive Product** category is available to make the typeface more accessible to whom intends to use it in one and only product, that's why the licensing is made **per project**. The license document contains the name of the person or company responsible for the project and the name of the product. There is an exclusive registration code that is generated for each licensed project, which is controlled by the author. This allows greater safety and warranty of usage without any major interurrences and future concerns, as set forth under this agreement.

By making the payment to obtain the license, you are agreeing to the terms of this Agreement.

1. ALLOWED USES

The license for Exclusive Product allows the typeface usage for products like song albums, books, movies, games, magazines, t-shirt prints, that is, for any product, without restriction of quantity, except for the items described in Restrictions, as long as it is for this one and only project.

2. RESTRICTIONS

You may not use the typeface for another product that is not the licensed one. You may not use the typeface to create corporate logos and advertising campaigns, even if these items are for the licensed product. Such usage requires a separate license or unlimited usage license, which may be purchased from the author.

3. NUMBER OF USERS

There is no limit for number of users as long as its usage is for the licensed brand or company.

4. THIRD PARTIES

You may provide the typeface to a professional or company that is working on the licensed project as long as they agree that its usage is restricted to the licensed project and they agree to the terms of this agreement. In this case, you must send this agreement along with the typeface files. You may not provide the typeface or make it accessible to third parties who are not related to the licensed project. You must request the third party to uninstall the typeface files after using it in your licensed project to ensure that the typeface will not be used on any other project without authorization or purchase of a license. You may not, under any circumstances, resell the typeface.

5. EMBEDDING

You may embed the licensed typeface to compose the website visual project, such as titles and texts. You may not, un-

der any circumstances, embed the licensed typeface into applications or software products in which the typeface will be used by the purchasers of such products.

6. MODIFICATIONS

You may not modify the typeface file, even if it is for use in the licensed project. You may import characters from the typeface as graphical objects into a drawing program and modify such graphical objects as long as its usage is restricted to the licensed project.

7. TERM OF USE

You may use the typeface for indefinite time.

8. TERRITORY

The project developed with the typeface may be used and displayed anywhere around the world, without restrictions.

9. COPYRIGHT

The typeface, as well as all files attached to it by the time of license acquisition, are exclusive property of the author and owner and it is protected by copyright laws, so you must strictly comply with the terms of this Agreement. Unauthorized copying of the typeface under any circumstances is expressly prohibited. You may be held legally responsible for any infringements on the foundry's rights caused by your failure to abide by the terms of this Agreement.

10. TERMINATION

This agreement takes effect since the payment for license acquisition and it can be automatically interrupted without previous notice from the author if you fail to comply with any provision contained herein. If a termination occurs, you must delete the typeface files and other files bound to them which are property of the the author.

11. PRODUCT UPGRADES

From time to time, the author may update the typeface by modifying its design or including weight variations. If this occurs, you have the right to download the updated typeface file for usage, as long as it is related to the licensed project.

12. LEGAL WARNING

The typeface is available in least one version/weight, so you can test it and verify it in your project before purchasing a license. By purchasing a license, you agree that you have verified it, tested it and it is working in perfect conditions. Any questions related to the typeface should be solved before purchasing the license.
